

Registration

Exhibitor registration will take place at the INFO desk (entrance: door 2T) starting at 7:00 AM on January 15. Please register as soon as you arrive on campus. Meal vouchers will be provided upon registration.

Catering

Breakfast will be served from 7:30–9:15 AM at Restaurant Mustikka (see Info Map). Lunch vouchers can be used on January 15 at Restaurant Mustikka, Hilla, and Hilla Garden. Café vouchers can be used on January 15 at Café Juve, Café Asprettö Puolukka, and the Hilla Garden café. Café vouchers can be used to purchase drinks and pastries up to the voucher's value.

You will receive four (4) bundles of meal vouchers in your exhibitor envelope (each bundle includes breakfast, lunch, and café vouchers). Additional bundles or individual vouchers can be requested from the Pesti INFO desk during the event. Extra vouchers are subject to an additional fee and will be invoiced after the event.

More detailed catering instructions will be provided on the event day at registration.

Exhibition Area

The exhibition area is open from 9:00 AM to 3:00 PM.

Parking

Parking availability on campus will be limited. Please read the parking instructions document.

Exhibition stands

Stand construction and setup may begin on Wednesday, January 14, from 4:00 PM onward. If you have rented exhibition structures from our partner Maiseri Oy, the construction of your stand will be handled by them. If you have not ordered rental structures in advance, you will be provided with an empty exhibition space where you may bring your own stand structures and furniture. If you reserved a table and chairs during registration, they will be ready at your stand.

Stands may be dismantled after 3:00 PM on January 15.

An open wireless network, panOulu (<http://www.panoulu.net/>), is available throughout the campus and does not require a username or registration. A secure wireless network, eduroam, is also available (please check your organization's login format).

Each stand is equipped with a power outlet and a trash bin.

General Information on Rented Exhibition Structures

If you have rented exhibition structures from Maiseri Oy, stand walls, name boards with company names, carpets, and lighting will be installed in advance. Stand walls consist of 1 x 2.5 m aluminum profile elements with white panels. Materials may be attached to the walls using tape that does not damage the surface. Hanging hooks are also available on site. Drilling holes into the walls is not permitted.

For more information about rental structures, furniture, and orders, please contact:
Maiseri Oy, Terhi Nisula, puh. 020 734 3844, Email: terhi@maiseri.fi

Delivery of Materials

When bringing materials to the exhibition area yourself, you may use any main entrance. Parking is only permitted in designated areas, not directly next to buildings or entrances. For larger deliveries, we recommend using the entrance marked with an arrow on the info map (door R)

Note: Vehicles may only be parked in front of the entrance for unloading purposes. For advance deliveries, please use the following address:

Oulun Yliopisto
Logistiikkakeskus/aulapalvelut/Pestipäivät
Biologintie 8 ovi 1F Linnanmaa
90570 Oulu

Please clearly label all shipments with your company name to ensure easy pickup from the central lobby mail point on January 14 (until 3:45 PM) or January 15 (from 8:15 AM). Upon delivery, please call the front desk services duty line (until 3:45 PM) at +358 29 448 3007 or +358 50 596 9846. Security personnel are on site 24/7 and can be reached at +358 50 505 4714.

If you have sent materials in advance that arrive before January 15, they can be collected from the Pesti organizing team.

For return shipments, please ensure all packages are clearly labeled with correct return addresses. Returns are handled through the central lobby mail point, which is open until 3:45 PM on January 15. The pickup address is the same as the delivery address listed above.

Student Contact Person

We will inform you of your company's student contact person and their contact details prior to the event. The student will be available to assist you on January 15 and, if needed, also on January 14.

Fire Safety

For fire safety reasons, candles, tea lights, or any other items producing smoke are not permitted in the exhibition area.

Tavaroiden säilytys

Storage of Belongings

The exhibition area is not guarded. We recommend bringing valuables (laptops, monitors, etc.) to your stand only on the morning of January 15. On the event day, a supervised cloakroom will be available where you may leave outerwear and bags.
